

**COMPLIANCE SUMMARY REPORT / PRODUCT SPECIFICATIONS**

**CARLRAY TERMITE SHIELDING**  
**COMPLY TO AUSTRALIAN STANDARD FOR TERMITE MANAGEMENT AS 3660. 1:2014**

**Manufactured By**

Carlray Pty Ltd  
 448 The Boulevard  
 Kirrawee N.S.W. 2232

**Application**

Carlray Termite Shielding forms a physical barrier to termites & white ants. Installed on all subfloor structures on which termites might gain concealed access, such as piers, stumps & walls below the underside of floor framing member or suspended concrete slab. Carlray has a wide range of sizes to suit most applications. We also manufacture special sizes on request.
